NAME OF ANIMAL:

COAT COLOUR: Check only one colour

BL Black: True black without any light areas.

BA Bay: Shades from reddish tan to dark mahogany brown. Black mane and tail, and black below the knees and hocks

BR Brown: Mane, tail and body are dark brown. Inside of ears is often beige.

CH Chestnut: Shades from golden red to dark reddish brown. Mane, tail and legs are not black but are the color of the body or shades darker or lighter.

PA Palomino: Shades of very pale cream yellow to golden yellow, with flaxen, silver or white mane and tail. * DNA TESTING FOR COLOUR REQUIRED

DESCRIBE ALL MARKINGS FOR EACH OF THE AREAS BELOW:

Head:

Neck:

Throat:

Chest:

Left fore:

Right fore:

Left Hind:

Right Hind:

Star: A white mark on the forehead, located above a line running from eye to eye.

Stripe: A white marking extending from the line of the eyes to the line running from nostril to nostril.

Snip: A white or flesh mark between the nostrils or on the upper or lower lip.

Bald Face: A wide blaze that extends to or around of the eyes or nostrils, with most of the upper lip also being white.

Heel: A white marking found on the back of the foot.

Coronet: A white marking extending to approximately one inch above the hoof.

Pastern: A white marking extending to the top of the pastern.

Fetlock: A white marking extending to the top of the fetlock (ankle).

Sock: A white marking extending to midway on the cannon.

Stocking: A white mark extending above midway on the cannon.

Cowlick: Hair growing in a different direction from the rest of the hair.

Whorl: Hairs that rotate around an axis.

1. On the diagram, outline all white markings of the horse. Use a blue or black pen, not a pencil.
2. On the diagram, outline all cowlicks and whorls of the horse. Use a red pen, not a pencil
